

JOHN BURTON'S MINING JUG 1834

The two photographs are of an earthenware jug, 19 c. high, believed to have originated in the Wirksworth area. The mining scenes have been hand-painted on to the glaze. If any reader can supply any information about John Burton or about the scenes depicted could they please contact Mrs Janet Spavold, 28 Wilfred Place, Ashby-de-la-Zouch, Leics, or the editor ?
